UPDATE— DEACON JOHN

Throughout that time, I have been receiving treatment for a serious infection in my spine, which caused damage to my vertebrae. I'm happy to report that on Monday, April 27th, my back surgery to repair and support my spine was successful. I currently have a lot of new hardware in my back, but no infection, thank God! I continue to pray that I don't have a screw loose!

I am currently at Mary Free Bed in Sparrow Hospital making a lot of progress with the help of excellent physical therapy. I am looking forward to coming home soon and God willing, seeing you soon at church.

I have learned a lot about how God works during challenging times. It has been difficult to put my life in His hands, but He has provided excellent medical professionals and caregivers every step of the way. My faith has grown by leaps and bounds through this experience and I will never have a reason to question His ways again. I know the power of prayer. I've seen it firsthand. I have been upheld by the love and prayers of many family, friends, and parishioners. I do not know what the future holds, but I have every confidence that our good Lord will make that clear in His time. For now, I am grateful for the opportunity to continue to serve in whatever way the Lord chooses.

With Love, Deacon John

CORPUS CHRISTI—June 7

This year we will again have the Corpus Christi procession at Holy Family following the 11 am Mass on June 7th. This is an excellent opportunity for us to proclaim our faith in the physical presence of Christ in the Eucharist. In a world that can be so full of anger and hopelessness, it is important for us to be witnesses to Christ the light. We hope as many of you as possible will make the effort to celebrate this feast with us and take part in the procession. As in former years we are offering opportunities to help decorate the altars. If your family or group would like assist with this please let the office know.
